

### **Cancellation Policy**

You have the right to cancel and receive a **full refund** by giving 7 days prior notice.

### **Late Cancellations**

Cancellations received after 7 days are eligible for a **50 per cent refund**. This is due to expenses I will have already incurred at this late stage in preparation for your Fast Class.

### **Rescheduling Without a Refund**

In the event of an emergency you may reschedule subject to available dates up to 1 month after the date of your original booking.

### **How a Refund Is Made**

If your card payment has already been “processed” you will be refunded via the World Pay automated system. If it has not yet been “processed” your payment will simply be cancelled.

### **I stand proud behind my service and want you to be completely satisfied**

I know that if you take action and apply the Fast Class system you will see results. If for some reason you are having difficulty I will personally provide you with extra support as offered in my “7 day email support” followed by my “telephone support call”.

### **The Fast Class is a Unique Opportunity**

Delivered by me either online or in person and on that basis you can be sure I will deliver all I have promised in the course details

### **Disclaimer**

In the interest of openness and transparency you will notice I have not and do not offer any claims of earning potential or income projections. As a beginners course the purpose of the Fast Class is to provide you with a system of intelligent short cuts to create and set up your online business in a way that will save you time and money.

It is of course my wish that once you have completed the Fast Class you continue to implement all you have learned to get your business out the gate faster. How quickly you apply this is a decision only you can make. I do hope that having made the investment in yourself you will make best use of all I have provided you with.

I genuinely and whole heartedly look forward to working you

See you on the other side!
